

Exhibit B School District Advancement Grant General Terms and Instructions

Congratulations on your District's Advancement Grant award! This General Terms and Instructions document contains all the information you will need to manage your grant, meet grantee requirements, and receive payments.

Please read this entire document thoroughly and visit our website at <https://www.lacountyartsedcollective.org/manage-my-grant> to access up-to-date resources and information about managing your grant award.

1.0 CONTRACT OVERVIEW

Grantees must meet all applicable award requirements. If you fail to comply with requirements, your contract may be suspended or terminated, and you may forfeit some or your entire grant award. Grantees can contact Advancement Grant Program Specialist at any time to discuss the grant funded project and terms of the contract.

1.1 Grant Period

The period of the grant is from the date of contract execution through June 30, 2025. *Please note that the invoicing and reporting deadline is May 15, 2025. All funds must be expended prior to the May 15 deadline unless written approval is granted.*

1.2 Contract Project Budget and Target Participation

Advancement Grant awards may be less than the original grant request. As a result, the project budget must be revised accordingly in the *Adjusted Grant Budget and Participation* form via our online grant management system. More details about this requirement can be found in the *Requirements for Contracting* section of this document.

1.3 Matching Funds

Grantees must demonstrate and report matching funds that ensure Los Angeles County (County) grant funds do not exceed fifty percent (50%) of the total cost of the project. Please note that the contract provides that you may forfeit some or your entire grant award if you do not comply with this requirement.

1.4 Signing the Contract

Contract signatures are due by September 30, 2024. The contract must be executed with two signatures:

- The district's superintendent, and
- A School Board President or a member of the School Board authorized to act on its behalf. Alternatively, a resolution adopting or approving this Agreement may be substituted for a School Board signature.

2.0 PANEL COMMENTS

Knowledgeable members of the arts education community assessed your funding request as part of the review process. To schedule a time to discuss panel feedback with staff, contact Keelia Postlethwaite Stinnett, Program Specialist, at artsedcollective@arts.lacounty.gov.

3.0 REQUIREMENTS FOR CONTRACTING

The following requirements must be met by your school district prior to the signing of your contract:

3.1 Adjusted Grant Budget and Target Participation

Grantees must provide the Department of Arts and Culture (Arts and Culture) with an updated target participation and grant budget, including all expenses and matching funds related to the scope of your project and reflective of your final award amount. To complete and submit the form, visit the grant management system: apply-lacdac.smapply.io.

Forms must be completed accurately and in full:

- Grant budget table tabulates correctly and includes sufficient matching funds
- Adjusted scope of activities within the form aligns with the project as stated in Section 2 of the Program Agreement
- All questions are completed and changes in scope described clearly

Arts and Culture must confirm acceptable completion of the form prior to final execution of the contract; any delays in submission of a complete and accurate form may delay final execution of the grant contract and consequently the distribution of the grant award.

3.2 Los Angeles County Vendor Number

Grantees must have a current vendor number registered with the County. To obtain a vendor ID and register with the Vendor Self Services (VSS) Portal, visit camisvr.co.la.ca.us/webven/. If you have questions relating to your vendor number, please contact vendor relations at (323) 267-2725 or ISDVendorRelations@isd.lacounty.gov.

Upon registration in VSS, **grantees are required** to enroll in Direct Deposit in order to expedite payments. Please follow the instructions listed online at directdeposit.lacounty.gov/.

3.3 Assignment of a Project Lead

A district must assign a project lead who will manage the coordination, implementation and assessment of the project and all elements of the contract between the district and the County. If the project lead listed in the contract changes, the district must notify Arts and Culture and identify the name and contact information of the new project lead. Notification should occur before the existing project lead's responsibilities change so that a transition meeting can be scheduled between the former and future district project lead and Arts and Culture staff.

4.0 ROLES AND RESPONSIBILITIES DURING IMPLEMENTATION

The following requirements must be met by your school district during implementation of the Project:

- Project lead attends a County-scheduled grantee convening or a countywide network event on a date to be announced.
- Project lead participates in a mid-project check-in call with County staff.
- Project lead completes a Final Report that includes a brief narrative on project outcomes, participation data, a final budget and at least one work sample.
