The development of the strategic plan for arts education is a partnership between the LA County Department of Arts and Culture/Arts Education Collective and the Eastside Union School District

#### **Eastside Union School District Vision and Mission**

The Vision for Eastside Union School District is clear: "Everyone contributes, every student achieves". This vision is supported by the district's Mission, which is "To provide a rigorous education in a safe, inclusive learning environment with caring, passionate professionals who prepare students to reach their highest potential". A robust arts education program is integral to achieving this mission, fostering creativity, engagement, and holistic student development. This strategic arts plan was developed at a pivotal time for the district. The district has recently completed a prior five-year plan and with new administration and Visual and Performing Arts (VAPA) staff in place, a strategic planning team was formed to chart the path forward for arts education.

The district currently serves its students through four elementary schools, one middle school, and one transitional learning centre. The elementary schools – Columbia Elementary, Eastside Elementary, Enterprise Elementary, and Tierra Bonita Elementary – serve students in grades TK-6. Gifford C. Cole Middle School serves students in grades 7-8 and Eastside Academy, functions as a Transitional Learning Center serving grades 3-8.

A key factor influencing the development and implementation of this plan is the availability of funding through Prop 28, which has impacted the district's ability to expand VAPA staffing and course offerings, particularly at the middle school level. The strategic plan will strive to address how to leverage existing resources and potential future funding to expand equitable access to arts education across all schools and grade levels. This strategic arts plan is essential to ensuring that EUSD lives up to its vision by providing a rigorous, inclusive, and engaging arts education that prepares all students to reach their highest potential.

In 2024-2025, Eastside Union School District established a Strategic Arts planning team composed of teachers and administrators to develop a five-year strategic plan for arts education. Through a consensus building process, the following vision elements were created to begin advancing arts instruction TK-8 across school sites:

With the five year plan, the District strives to implement the following:

- → Accessible, sustainable resources
- → Comprehensive, purposeful programming
- → Engaging, experiential field trips
- → Vital, diverse community partnerships
- → Committed, collaborative arts team
- → Dynamic, inclusive Arts showcases
- → Intentional, interactive workshops in the Arts

The Eastside Union planning team identified the strengths the district could build on (district assets) and the challenges it would face as it moved toward enacting the newly developed vision for arts education.

Strengths	Challenges
Momentum toward our vision	Forces resisting our new direction
<ul> <li>Dedicated arts specialists and district level support</li> <li>Support for teachers to get together to strategize about the arts</li> <li>We're a small district</li> <li>Most students receive music instruction</li> <li>Students who do the arts at home (interest &amp; enthusiasm</li> <li>District supports Principals with site council deliverables</li> <li>At Tierra Bonita elementary – volunteer dance teacher, visual arts after school, Saturday school with theatre and visual arts (Student University)</li> <li>MOAH programming at some of the sites</li> <li>Art Around Studio as a new partner</li> <li>Eastside Elementary – an instructional aide who provides visual arts experiences</li> <li>Volunteers who support delivering arts instruction</li> <li>Enterprise – Christmas showcase and talent shows</li> <li>Pop Up Antelope Valley Farmers Market</li> <li>CAL State Bakersfield support</li> <li>AVC Music Director participation</li> <li>Supportive community partners who advocate for the arts in school</li> <li>Live in a community with a high level of expertise in tech research &amp; developments (Aerospace) including local artists</li> <li>LPAC – many students travel to performances, attend field trips and receive scholarships</li> <li>Support from the City and creativity is a theme in the community</li> <li>Lancaster City Council displays student artwork</li> <li>RISE – Afterschool delivers arts instruction</li> </ul>	<ul> <li>Some students experience insecurity around expressing themselves creatively</li> <li>Restricted budget/funds</li> <li>Lost equipment due to cutbacks in arts instructional classes</li> <li>Insufficient use of a performance space &amp; stage</li> <li>Teacher reluctance to do arts integration due to testing, Common Core, etc.</li> <li>Overlapping schedules – music with other activities</li> <li>In-balance approached for integrating critical thinking skills into instruction</li> <li>A structure is needed for doing ceramics (space)</li> <li>Fragmented volunteer process for supporting arts instruction</li> <li>Insufficient arts offerings, supplies, equipment</li> <li>ELL community not receiving access to arts due to scheduling</li> <li>Time for professional development</li> <li>Providing equity and access to all students</li> <li>Our depth of knowledge for what high quality arts instruction looks like is limited</li> </ul>

#### **Strategic Directions**

To guide the plan and to address the challenges, the committee reflected on the following question: What creative and innovative actions can we take to address our challenges and move toward our vision? As a result, the following strategic directions and goal areas were developed to frame plan implementation:

#### STRATEGIC DIRECTION I: Establish and Manage a Clear Operational Infrastructure for the Arts

Goal: Establish specific communication protocols and procedures in regards to Art funding

Goal: Provide leadership for VAPA teachers and activities

**Goal:** Develop equitable arts scheduling and electives for all students

#### STRATEGIC DIRECTION II: Develop and Provide Sustainable Investments for the Arts

Goal: Provide support for VAPA teachers

Goal: Establish spaces/resources for VAPA activities

#### STRATEGIC DIRECTION III: Promote and Provide Community Involvement and Benefits in the Arts

Goal: Engage our Community with the Arts

**Goal:** Showcase the Arts for students and in our community **Goal:** Involve the community and students in VAPA planning

#### **PRIORITY WEDGE**

Looking to the future and implementing goals within the 2025-2030 Arts Plan, the team identified the highest leverage implementation actions to focus on. The areas below articulate those first, second and third level priorities.

Research staffing needs and the possibility of procuring college interns for VAPA courses and ELD/SPED students

Investigate funding sources available in and out of the district

Establish and prioritize appropriate and inclusive VAPA planning and scheduling

Appoint a VAPA coordinator and district arts team

Create clear operation protocols and procurement procedures for VAPA funding

Obtain the support of the Board, Administration, Teachers and community of the new EUSD Strategic Arts Plan
